TO: Mayor Wardy and City Representatives
FROM: Richarda Duffy Momsen, Municipal Clerk
SUBJECT: Reconsideration of the October 5, 2004 City Council minutes
DATE: October 20, 2004

Please be advised that an item to reconsider the minutes of October 5, 2004 will appear on the City Council Agenda for October 26, 2004. This action is necessary to reflect an error on the motion for budget transfer BT2005-031 for Building and Planning Services.

BT2005-031 BUILDING AND PLANNING SERVICES

Building and Planning Services proposes to establish appropriations for the Memorial Park Library Renovation. Funding source is Texas State Library grant. **(District 2)**

Increase	\$59,808.29	to	31255001/P50155227679/508027	Construction
Increase	\$59,808.29	to	31255001/P50155227679/407002	Est Rev

The minutes incorrectly recorded that the budget transfer was approved. Actually, the motion made and passed was to postpone consideration of the budget transfer for one week. Last week, Representative Cushing alerted me to the error in the minutes. My own notations on the agenda, recording the vote, and a review of the video stream for the meeting show the item was postponed, not approved.

I apologize for the error in the transcription of the minutes. I have informed Building and Planning Services, Comptrollers and Office of Management and Budget, also. Budget transfer BT2005-031 will appear on the October 26 agenda for consideration. The corrected minutes for October 5th are attached. Thank you.

Please call me at 541-4127 if I may answer any questions.

 *Motion made by Representative Cobos, seconded by Representative Rojas and unanimously carried to delete the discussion and action on a Resolution that the Mayor be authorized to sign the Amendment to Tax Increment Finance District No. 1 Termination Agreement by and between the City of El Paso, the County of El Paso, the El Paso Independent School District, the El Paso County Hospital District and the El Paso County Community College District allowing the City of El Paso to utilize the remaining fund balance in the TIF No. 1 fund in connection with the History Museum to be constructed by the City of El Paso as part of the Cleveland Square Project.

 No action was taken on the discussion and action on conducting an independent forensic audit of all finances of the City of El Paso, including but not limited to fund balances by department, fund balances for completed projects, disposition of any and all finances resultant to the software conversion from FAMIS to People Soft, outstanding debt instruments, grant monies, federal and state leverage funds, TXDOT indebtedness, etc.

This audit is essential since actions and conduct of financial reporting individuals of the City of El Paso have resulted in a loss of public confidence in the City of El Paso, and also, with the change in government, as mandated by the voters, the new City Manager should have confidence in the financial affairs of the City of El Paso.
